

The Land of Make Believe

Brookfield H.S. Band and Guard—2008

The **ALBUMS** and **Songs** of Chuck Mangione

What started **TOGETHER** at band camp at the end of summer in bright **Solar** sun was the beginning of the show **LAND OF MAKE BELIEVE**. Mr. Friend wanted us there at **Sunrise**, so we could continue the Brookfield Band and Guard's **Legacy**. John thought to himself, **I Had the Craziest Dream**. We can have some **FUN & GAMES** while playing a special **Medley** and really **Open Their Eyes** ... the MAC judge's that is.

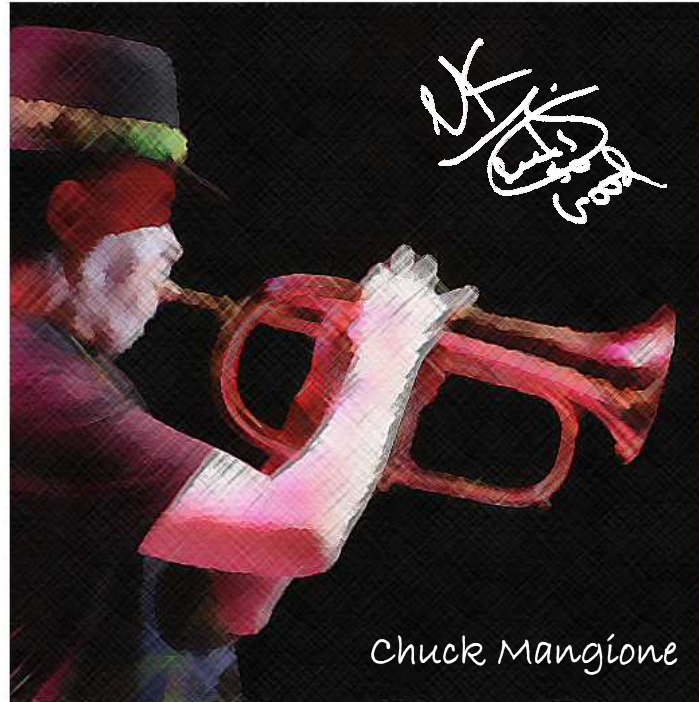

Band camp started slow because many had **Spring Fever**, and one had a **Big Foot** (Issac), but things started to come together and Mr. Friend said, "**THE FEELINGS BACK!**"

THE JAZZ BROTHERS (Jimmy, Sean, and Nick) solo in "**Land of Make Believe**" and they **Give It All You Got** when they hit those **LOVE NOTES**. Then the Drum line is featured in "**Echano**" doing the **Dance of the Windup Toy** as they strut their stuff. The Guard is looking great and has **No Problem** tossing so high that they **CHASE THE CLOUDS AWAY**. Cheryl was impressed saying, "**That's Nice!**", you will be **TOGETHER FOREVER** if you keep that up.

The show is really coming **ALIVE**, the Band & Guard is **Steppin' Out**, and it's **Feelin' good**. We **Love the Feelin'** when things are going our way. At Championships **The Night Has a Thousand Eyes**, but **As Long as We're Together** no one will be better. It **FEELS SO GOOD** to perform together that many are asking, **Can't We Do This All Night!**

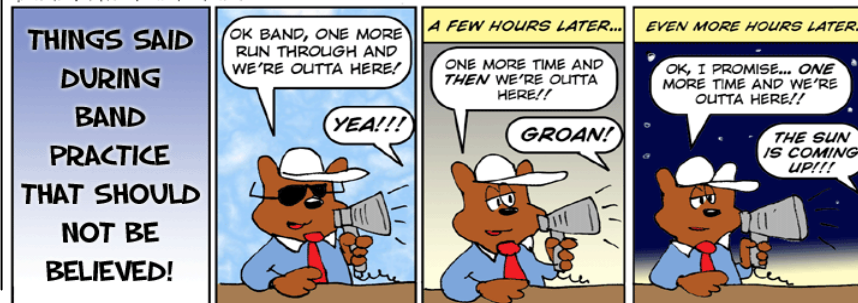

The band & guard parents have only this to say ...

You're the Best There Is!

Chuck Mangione
